RISKS AND RISK MANAGEMENT

In the current economic climate, major uncertainties are associated with the predictability of both net sales and operating profit. Ilkka-Yhtymä's most significant short-term risks are related to the development of media advertising, in particular, as well as circulation and printing volumes, which affect the industry in general. Other risks associated with the Group's own operations and its holding in associated company Alma Media Corporation are described in more detail in the Annual Report 2012.

The Group's major financial risks include credit risk of the Group's operative business, the risk associated with the price of shares held for trading, liquidity risk and the risk of changes in market interest rates applied to the loan portfolio. In order to hedge against interest rate risk, on 21 December 2010 the company transformed some of its floating-rate liabilities to a fixed rate, by means of interest rate swaps. Given that the Group does not apply hedge accounting, changes in the market value of the interest rate swap are recognised through profit and loss. Other financial risks are discussed in more detail in the 2012 Annual Report.

CORPORATE GOVERNANCE AND THE ANNUAL GENERAL MEETING

On 18 April 2013, the Annual General Meeting (AGM) of Ilkka-Yhtymä Oyj approved the financial statements, discharged the members of the Supervisory Board and the Board of Directors and the Managing Director from liability and decided that a per-share dividend of EUR 0.15 be paid for the year 2012.

The number of members on the Supervisory Board for 2013 was confirmed to be 25. Of the Supervisory Board members whose term had come to an end, the following were re-elected for the term ending in 2017: Markku Akonniemi (Töysä), Juhani Hautamäki (Ylivieska), Heikki Järvi-Laturi (Teuva), Petri Latva-Rasku (Tampere) ja Marja Vettenranta (Laihia). The employee representatives Terhi Ekola (Vaasa) and Niina Vuolio (Seinäjoki) were elected as new members of the Supervisory Board.

At the Annual General Meeting it was decided to maintain the payments made to the Chairman of the Supervisory Board and the board members at their current level: the Chairman will receive a retainer of EUR 1,500 per month and a fee of EUR 400 per meeting, and the board members will be paid a fee of EUR 400 per meeting attended. The board members' travel expenses are reimbursed in accordance with the current maximum level specified by the tax authorities.

Ernst & Young Oy, Authorised Public Accountants, was elected as the auditor, with Authorised Public Accountant, M.Sc. (Econ.) Harri Pärssinen as the principal auditor. It was decided that the auditors would be reimbursed per the invoice.

The AGM authorised the Board of Directors to decide upon a donation to be put toward charitable causes or similar, totalling, at maximum, EUR 50,000, as well as to decide upon the recipients, purposes of use, schedules and other terms of these donations.

On 6 May 2013, the Supervisory Board re-elected Sari Mutka, whose term had come to an end, to the Board of Directors of Ilkka-Yhtymä Oyj. Lasse Hautala will continue as chairman of the Supervisory Board, while Perttu Rinta will continue as vice-chairman. At its membership meeting, the Board of Directors re-elected Seppo Paatelainen as its chairman, while Timo Aukia will continue as vice-chairman.

OUTLOOK FOR 2013

In the current economic climate, forecasting net sales in the media sector and, in particular, media advertising spending involves major uncertainties. Due to consumer caution, VAT on circulation revenues and media competition, newspapers' circulation revenues are predicted to decrease. Printing business volumes have declined permanently in Finland and the prospects for growth in the sector are weak.

Advertising in Finland was weaker than expected in the first half of the year.

The net sales of Ilkka-Yhtymä Group are estimated to decline slightly from the 2012 level.

Group operating profit from Ilkka-Yhtymä's own operations, and operating profit as a percentage of net sales, excluding the share of Alma Media's and other associated companies' results, are expected to decline from the 2012 level. In addition, the year's results will depend on interest-rate trends, the price performance of securities investments, and changes in the value of the associated companies.

The associated company Alma Media Corporation (Group ownership 29.79%) will have a significant impact on Group operating profit and profit.
